

JOINT MILITARY INTELLIGENCE COLLEGE (JMIC)

- Master's of Science in Strategic Intelligence (MSSI) - Full-Time School Slot
- Reserve Post Graduate Intelligence (PGIP-R) – Part-Time School Slot

A. The RDEDB application package must include proof of academic eligibility from the JMIC admissions office to be considered. Applicant must apply to JMIC to obtain eligibility.

B. Eligibility to apply JMIC (MSSI/PGIP-R)

- Grade: Maj (s) (with pin on prior to class start date) through Maj.
- JMIC IDE program requires enrollment and completion of Air Command and Staff College (ACSC) Distance Learning (ACSC-DL) while in attendance. Exception: officers who have already completed ACSC-DL (seminar or correspondence) prior to IDE program start date are exempt from this requirement. JMIC in conjunction with ACSC-DL will now change the status of member's DE to reflect attendance "in-residence".
- Applicant must have a Baccalaureate degree (BA) from a regionally accredited academic institution.
- Applicant must have a TS/SCI security clearance prior to entry into the program.

C. Application to JMIC admissions office:

- Cover memo by the applicant indicating they are applying for the MSSI or PGIP-R program (or both) with the below information.
 - Name
 - Rank
 - Branch of Service
 - SSN
 - Work and home address

- E-mail address
 - Phone number
 - Date of most recent TS/SCI clearance
- Official transcripts mailed directly from applicant's University – any other form of submission is not considered "Official".
- A Graduate Record Exam (GRE) or Miller Analogies test (MAT) score. The college will accept MAT results in lieu of the GRE (verify with JMIC acceptable currency dates of exams). Requirement waived if member has accredited higher degree (Masters, Doctoral, etc.)
- 500 word essay required. See [JMIC website](#) for specifications.
- To request an application package, or to ensure your package is complete contact:
